

RS 960S

Categories: [Radial Arm Saw](#)

RADIAL ARM SAW RS 960S

TECHNICAL DATA

Max cutting width	mm 20x850
Min cutting width	mm 200x680
Max cutting height	mm 200
Blade diameter	mm 565
Number of bearings	8
Motor power	HP 7,5

Motor speed	rpm 2800
Weight	kg 315

CE EQUIPMENT

- Blade not included
- Spring-operated carriage return
- Self-braking motor
- Electrical system equipped with motor-overload protection and emergency button
- Protection case for complete blade covering
- Sound-insulated blade guard made of steel
- Well-dimensioned rear hood, ready to be connected to a dust collector
- Frontal lifting
